Constellations provide us with **phenomenal inner clarity and gently guide us forward** into taking the next steps. We can respectfully observe how connected we are with the people around us - our co-workers, clients, and families - and find our place in these relationships that **supports us to be fully present and resolve difficult situations**.

Hidden Contracts – Silent Agreements

Systemic Dynamics In Consulting And At Work

- Are you caught in a **no-win situation** – trapped by organizational politics?
- Do you **feel stuck**?
- Are **conflicting agendas** setting you up to fail?
- Is it **difficult to make decisions** and move forward?
- Are you challenged by **persistent and recurring unwanted patterns** in your experience?

Experience the difference that makes the difference.

We use constellations and related exercises to shed new light on the hidden contracts and silent agreements that have a strong unconscious influence over our choices. We can effortlessly and efficiently make visible the unseen forces that are directly impacting our ability to achieve and sustain a variety of business objectives and new choices in our lives. Join us and experience this phenomenal approach.
